Introduction

Welcome to the North Coast Shared Service alliance (NCSSA) Teacher Substitute program. The Educational Service Center of Cuyahoga County (ESCCC) is one partner of the **NCSSA** with Rachel Wixey & Associates and the Educational Service Centers of Lorain and Medina Counties.

We are pleased that you are joining our NCSSA organization as a Teacher Substitute employee and we look forward to working with you. Please review this Handbook carefully, and feel free to ask any questions.

Purpose of the Handbook

This Handbook was prepared to give you important information about the ESCCC as your payroll and fiscal employment agent and what you can expect from us and what we will expect of you. It will help avoid misunderstandings and provide answers to questions that arise during your employment with the ESCCC.

Naturally, no Handbook can cover every situation. We allow ESCCC administration along with our NCSSA administrative partners to make the final decisions they think are best within the framework of the policies and procedures described in this Handbook.

It is our intent to maintain all the policies, procedures and benefits described in this Handbook, but we must reserve the right to make changes at any time, with or without advance notice.

About Educational Service Center of Cuyahoga County

ESCCC is one of the largest public organizations in the State of Ohio. The ESCCC offers Human Resource services to NCSSA to function as the fiscal, payroll agent to employ Teacher Substitute school personnel for school districts in Cuyahoga, Lorain and Medina counties that choose to participate in the Alliance. ESCCC will be acting as ESCCC's representative in regard to your employment, personnel policies and procedures and payroll agent.

Your Employment Status

You are being employed by ESCCC to work in job assignments at the client public school districts or buildings in Cuyahoga, Lorain and Medina County public school districts. You will be paid based on the position to which you are assigned. Your paycheck and W-2 will be issued by ESCCC, workers' compensation, unemployment and other benefits are administered by ESCCC. Please remember that you are employed by ESCCC, not by the public school district which you are assigned to work.

Your employment status is a limited, one year as needed employment contract, that you knowingly acknowledge and for which you automatically submit your resignation at the end of the 2017-2018 school year, effective June 30, 2017.

Nothing in this Handbook or elsewhere is to be considered a guarantee of employment or work. Your employment is based solely on available work assignments as needed and requested by our client public school districts for which you are qualified. To the extent authorized by law, all employment is strictly at will and can be ended by you or by ESCCC without advance notice.

Problems or Misunderstandings

Since there are several organizations partnering for the NCSSA, we want to make sure you are comfortable as our employee. We want to hear your concerns, questions or needs and will work to find a satisfactory solution.

If there are questions or concerns regarding your initial employment paperwork and any aspect of orientation or training, contact the Educational Service Center of Medina County. Payroll or any personnel concerns or questions should be directed to the Human Resource Department or Payroll Department at the ESCCC.

Rachel Wixey & Associates will handle all other questions or concerns related to assignment and scheduling. While on assignment in a school district or building, immediate questions or concerns should be brought to the immediate attention of the school or building administrator.

New Employee Criminal Background Checks

A term and condition of employment as a new Teacher Substitute for the ESCCC is a satisfactory criminal records check as required by law. Both BCI&I and FBI checks are required and must have been completed within the past year and at the Substitute's expense.

Licensure

A term and condition for employment as a Teacher Substitute for the ESCCC is that all employees are required to hold a valid license as an Ohio Educator. A current copy of the valid license is required to be included in the personnel file at the ESCCC Human Resources department.

Obtaining, updating and filing of a valid license with the ESCCC office is the responsibility of the Teacher Substitute. It is required that personnel meet the requirements for renewal and updating of their license. The Educational Service Center of Medina County will assist you with licensure questions, but that does not relieve you of the responsibility to have a valid license. ORC requires employees to hold a valid license for the position for which they are employed prior to receiving compensation and failure to maintain the appropriate licensure can be grounds for termination.

Job Assignments & Attendance

Professional Conduct for Ohio Educators

All educators employed by the ESCCC are expected to behave in a professional manner that reflects the status and substance of a public school professional with the responsibility of providing high-quality education to every student. The *Licensure Code of Professional Conduct for Ohio Educators* serves as the basis and guide for conduct appropriate for substitute teachers employed by the ESCCC and as a professional licensed by the Ohio, State Board of Education.

Ohio Revised Code 3319.31 states that engaging in an immoral act, incompetence, negligence, or conduct that is unbecoming to the person or person's position can result in license suspension, revocation, or limit license renewal.

ESCCC complies with the aforementioned *Licensure Code of Professional Conduct for Ohio Educators* and Ohio Revised Code and applies the same professional expectations to employees regarding job performance and communications to its employees.

Work Assignments

Work assignments and hours are set to meet the needs of the organizations we represent for service. As a result, it is sometimes necessary to change schedules or hours.

As Substitute, you are required to work as assigned and to do the duties and extra assignments typically done by the teacher for whom you are substituting, including but not limited to bus duty, arrival/dismissal duties, recess duty, cafeteria supervision, hallway/restroom supervision, etc. Additionally, if you are asked to perform supervisory duties (of students) during a planning and/or conference time, it is required that you comply with the request unless your current assignment necessitates that you spend the time copying materials left by the regular teacher, designing plans because none were left by the regular teacher, or completing other tasks directly related to the completion of that day's assignment. In such cases, clear explanation must be made to the administrator requesting that you work during the planning and/or conference time. In all cases, the decision of the administrator or designee making the request is to be followed. It is your responsibility to monitor school

cancellations due to inclement weather or other calamity circumstances. Aesop will generally notify you by email and/or phone when a school district or building cancels due to a calamity day.

ESCCC has contracted with Rachel Wixey & Associates to act on its behalf. RWA will help coordinate your schedule and assignments and our communications with you. Rachel Wixey & Associates will notify you of available work assignments for which we believe you are qualified.

ESCCC offers both long-term (5 days or longer) assignments and seasonal short-term assignments to their employees. Employees assigned to specific short-term assignments are required to use an on-line scheduling system to select their work assignments.

It is the employee's responsibility to select their work assignments and identify the work days that they are unavailable for work. Unless the employee specifically notifies Rachel Wixey & Associates that they are no longer available for work assignments, Employees are considered able and available for work.

Accepting Late Assignments

On occasion, Aesop's automated system or an account representative may call you to fill an opening which has occurred very close to a school's starting time. You may also see last minute assignments online that start soon after you see them. Do not hesitate to accept these jobs. If the starting time has not been adjusted online, or if you receive an Aesop call too close to a school's starting time to allow for adequate preparation and travel time, just call the school or your Aesop account representative at Rachel Wixey and Associates (877.977.9499) (Cari Wiley at 330.723.6393 for Brunswick City Schools assignments) to let them know what time you will arrive for the position. Most schools would rather fill a classroom with a substitute who needs a few extra minutes to get there than have the classroom without an instructor all day.

Attendance

Consistent and timely attendance to your teacher substitute assignments is conduct becoming of a professional educator and conscientious employee.

After you have accepted a school district assignment and you are going to be late or absent for any reason, you must personally notify the school district/building and Rachel Wixey & Associates immediately in order to allow ample time to secure another teacher substitute.

Pay & Benefits

Pay Rate & Pay Days

Because pay rates vary by assignment, every job can pay a different rate. If you change assignments or work in more than one assignment during any pay period, do not assume that your pay rate will be the same for all positions worked. Please make sure you know the wage for every job you work.

See pay schedule on www.northcoastssa.org

A full day assignment is any assignment over 4 hours. An assignment 4 hours or less is paid at a half day rate. Should you work two half day assignments within the same district, you are paid for one day. If you work two assignments in two separate districts, the assignments will be paid a half day for an assignment under 4 hours, and a full day for an assignment over four hours. No quarter day or hourly pay is available. "Show up or cancellation" payments will be determined by each individual circumstance.

The ESCCC follows [Ohio Revised Code 3319.10](#) regarding Employment and Status of Substitute Teachers:

Teachers may be employed as substitute teachers for terms not to exceed one year for assignment as services are needed to take the place of regular teachers absent on account of illness or on leaves of absence or to fill

temporarily positions created by emergencies; such assignment to be subject to termination when such services no longer are needed.

A teacher employed as a substitute with an assignment to one specific teaching position after sixty days of service shall be employed according to Ohio Revised Code 3319.10 Employment and Status of Substitute Teachers.

A teacher employed as a substitute for one hundred twenty days or more during a school year and re-employed for or assigned to a specific teaching position for the succeeding year shall receive a contract as a regular teacher if the substitute meets the local educational requirements for the employment of regular teachers

Teachers employed as substitutes on a casual or day-to-day basis shall not be entitled to the notice of non-re-employment prescribed in [section 3311.81](#) or [3319.11 of the Revised Code](#).

For purposes of determining in any school year the days of service of a substitute teacher under this section any teacher's days of service in that school year while conditionally employed as a substitute teacher under [section 3319.101 of the Revised Code](#) shall count as days of service as a substitute teacher under this section.

Direct Deposit

ESCCC requires direct deposit of your paycheck to your checking or savings account automatically. Appropriate forms will be provided to you for your authorization. Direct deposit is available to any bank, checking account, savings account, or credit union by providing a copy of a voided check.

It is the responsibility of the ESCCC employee to alert the payroll department of any changes of personal banking information.

STRS

Teacher substitutes are subject to the State Teachers Retirement System (STRS) Each Teacher substitute shall be responsible for the payment of the employee portion of the contributions required by STRS. As such, the employee's share of the STRS contributions will be deducted from payroll pursuant to ORC 3307.01, et seq, and forwarded to STRS by the ESCCC.

Patient Protection and Affordable Care Act

“PPACA” requires the ESCCC to allow substitute teachers (and their dependents) to enroll in the ESCCC's health insurance plan if the substitute teacher averages at least 30 hours of service per week or 130 hours of service in a calendar month over the entire school year. However, a substitute teacher's enrollment in the health insurance plan would result in additional costs being assessed to the organization's client school districts. To prevent these additional costs that may result from the PPACA regulations, it may be necessary for the organization to limit substitute scheduling at certain points throughout the year.

If a substitute is an STRS retiree and becomes eligible for health care coverage through the ESCCC because the substitute works an average of more than 30 hours per week, or 130 hours per month, during the ESCCC's measurement period, the substitute may no longer be eligible to receive primary insurance coverage through STRS. STRS retirees who may qualify as “full-time” employees under the ACA are encouraged to consult with STRS any impact an offer of insurance from the ESCCC may have upon the individual's eligibility to receive insurance coverage through STRS.

Safety & Accidents

Safety Policy

The SAFETY of our employees is an important concern of ESCCC. We expect all employees to take safety seriously. We do not want to put any Teacher Substitute in a job that could cause harm or aggravate a prior

injury. If you have been injured before, or if certain work could cause you harm, be sure to let a Rachel Wixey & Associates know in advance. If you are physically limited in some way, if certain tasks are hard for you, or if you need any special accommodation to perform a job function, it is your duty to let us know in advance.

General Safety Rules

All employees are required to obey the safety rules set by the worksite, or school district or building. If an accident occurs while you are in violation of safety rules or policies, your Workers' Compensation benefits may be reduced. Wherever you work, remember these basic rules or guidelines:

- Never do any work you feel is unsafe or could cause injury. Do not perform tasks that involve physical exertion unless you have been trained to perform them and are familiar with the risks associated with them.
- Do not operate any power equipment without permission and the proper advance training.
- No person will be allowed to work if he/she is impaired due to fatigue, illness, medication, drugs, alcohol or other causes. Use of drugs or alcohol while on the job is strictly prohibited.
- Every employee is to help keep the workplace neat, orderly and free of obstructions. Close file cabinets when you are finished in them. Do not string power cords or any cable across a walkway.
- All unsafe conditions and any accident or injury must be reported to the worksite office immediately.

OSHA Hazard Communication

You have a right to know about any safety hazards in your workplace. A district/building administrator will explain:

- Any chemical or material substances that are known hazards at your job site and which you may be exposed to;
- The "Material Safety Data Sheets" that describe any hazardous materials and what to do if you are exposed to them,
- How to identify and properly handle any hazardous substances.

If you ever have a question about a chemical or substance at your job, be sure to ask your on-site administrator for more information.

If You Are Injured

If you are injured on the job in any way, however minor, you must report the incident to the ESCCC immediately. Except in a true emergency, you should not leave the worksite without reporting an injury.

ESCCC carries Workers' Compensation insurance to protect and benefit any employee who may be hurt on the job.

To receive any compensation for an on-job injury, and any Workers' Compensation benefits that may apply, there are certain steps you must take. Reporting an injury promptly is the first and most important step. Once you do that, we can guide you to the next steps.

If you are injured on the job, report the incident to the ESCCC office immediately, even if the injury is minor. Note: Reporting an incident to a school supervisor on the job is not enough. Be sure to name "ESCCC" as your employer.

After you have been treated, a Doctor will determine what work you can do: regular work, light work, or no work at all. The Doctor's report will determine whether you need time off or not.

As soon as you are able, an Employee Incident Report must be completed and faxed within 24 hours to the ESCCC Human Resource office, fax number (216) 606-1044. The report will let us know of the incident and our insurer know exactly what happened, how and where you were hurt.

Returning to Work

Unless the Doctor says you are unable, we will assume you that if you accept a work assignment you are capable of performing the duties. If the Doctor says you cannot work at all, you must provide written notice from the Doctor and call the ESCCC Human Resources department. Please contact our office on the next day to discuss your situation. Whether you are released for light or limited work, or for regular duty, we will address a suitable job for you the next day. We will need a Doctor's written release faxed to our office before you return to work.

Workers' Compensation

The Ohio Bureau of Workers' Compensation (BWC) provides insurance coverage to all ESCCC employees for work-related injuries sustained in the course of and arising out of employment and diseases contracted in the course of employment. It also provides benefits to employees' dependents in those cases of death suffered in the course of and arising out of employment. To that end, if an employee sustains a workplace injury or contracts an occupational disease, s/he may be eligible to receive compensation and benefits under the Workers' Compensation Act for loss sustained on account of an injury or illness.

General Policies and On-Job Rules

Substitute Teacher Receipt of Handbook

This receipt certifies that I have received a copy of the Educational Service Center of Cuyahoga County (ESCCC), North Coast Shared Services Alliance (NCSSA) Substitute Teacher Handbook. I understand that the Handbook is NOT A CONTRACT OF EMPLOYMENT, that my employment is “at will,” and that ESCCC has a right to change, create or delete its policies and benefits at any time, with or without advance notice.

I understand that I am an employee of ESCCC. Only ESCCC or Rachel Wixey & Associates authorized representative or I can terminate my employment. If I am assigned to a long-term assignment (5 days or more) and that assignment ends (5 days or more), I will notify Rachel Wixey & Associates that I am able and available to work. I understand that failure to report at the end of a long-term assignment or my failure to accept a new assignment will mean that I have voluntarily quit and may not be eligible for unemployment benefits.

If I am assigned to a seasonal short-term assignment that requires the use of an electronic scheduling system, I understand that it is my responsibility to select my work assignments and identify work days I am unavailable for work. Unless I notify Rachel Wixey & Associates that I am no longer available for work assignments, I will be considered able and available for work.

I understand that I will be expected to report for and complete any work assignment I accept. If I am unable to report for work for some unexpected reason (such as an emergency or illness), I will personally contact Rachel Wixey & Associates as soon as possible – before the assignment begins whenever possible. If I do not report for or complete an assignment or give proper notice to Rachel Wixey & Associates, the ESCCC and Rachel Wixey & Associates may assume that I have voluntarily quit. I realize that I may not be eligible for unemployment benefits under such circumstances.

I have reviewed and agree to abide by the General Safety Rules established by the ESCCC and the district/ building assignment. I agree that, if I am injured on the job, I will notify the Rachel Wixey & Associates and the ESCCC office immediately. I understand that the ESCCC will assist with any legitimate Workers' Compensation claims.

I understand that it is my responsibility to notify Rachel Wixey & Associates, PRIOR to accepting an assignment, if I have any previous injury, or if certain work could cause me harm.

I have been informed of the specific Workers' Compensation rules that apply locally and understand that I am personally responsible for the cost of any unauthorized medical treatment or services provided outside the network, except as permitted by state rules.

I have read the company's Drug Free Workplace policy and I consent to drug testing as a condition of employment if required. I understand that any violation of substance abuse policies will result in my termination of employment.

I am aware that it is my responsibility to read, understand and know all of the company's employment policies. I have read the Substitute Teacher Handbook, had an opportunity to ask questions about the Handbook, and any questions I had have been answered in language to my satisfaction and are understood.

By accepting a job offer I am agreeing to abide by ESCCC employment policies. If I fail to comply with company policies and procedures, I understand that my employment may be jeopardized or terminated.
